*Have you been considering opening a Rehab retreat in Thailand?
What about a Private Addiction Recovery Retreat?
What about a Withdrawal Management & Residential Rehabilitation Centre?
What about a Physiotherapy Residential Rehabilitation Clinic?
What about a Private Medical Recovery Unit?
What about a Private Nursing Home?
What about a Wellness Centre?*

All of these and more have been in my mind for years; keeping my eyes open for the right opportunity as I know **YOU** are out there with this type of business in mind.

After several false-starts we seem to have come across an ideal property.

Set on 3200 sqm of land and comprising 738 sqm under the roof: a main house with 5 bedrooms and 6 bathrooms, and 3 separate self-contained en-suite bungalows this property ticks all the boxes.

The main house has a large open plan living that could be used as a communal area or compartmentalised to suit your specific needs.

The large private swimming pool is a relaxing must and one of the keys to successful therapy.

The entire property is offered Freehold at 22,000,000 THB
